Once he was broken beyond repair. Now this MMA contender is fighting to be a better man--for her. RT Book Reviews proclaims that the O'Brien Family series from award-winning author Cecy Robson "has the hottest brothers ever!" And in Let Me, it is Finn's turn to discover how love can heal the deepest wounds.

A mixed martial arts star on the rise, Finn O'Brien dismantles his opponents with brutal precision. And yet beneath his fierce persona, Finn is raw from a trauma he's buried for years . . . until the day his deep-rooted rage erupts and lands him in court-mandated therapy. Finn's not one to bare his soul, but if talking it out means meeting beautiful women like Sol Marieles, he'll give it a shot.

Sol is working toward her masters degree in psychology, and already she feels like she's in over her head. With an important internship on the line and a scary family situation demanding her attention, the last thing Sol needs is Finn around to distract her. The man is ripped and seriously sexy yet it's his troubled side that warns her to keep her distance. But their attraction is intense, and he clearly has the heat to see how far and fast their passion takes them.

Alone, Finn and Sol have been fighting to find happiness in their lives. Together, there's no stopping them as they face their greatest challenges--not in the ring, but in their hearts.
