## **Mercedes-Benz Grand Prix Race Cars 1934 - 1955** Louis Sugahara

Japanese artist and automotive designer Louis Sugahara has created more than one hundred meticulous drawings of Mercedes-Benz Grand Prix race cars for fans of the invincible Silver Arrows. Through detailed captions as well as a lively narrative illustrated by rare historical photographs, he traces the evolution of the race cars from the W25 to the W196, explaining how exterior design evolved in response to performance requirements and driver preferences. Supplemented by an appendix containing circuit layouts, detailed race results, and model specifications, this handsome volume -- an updated version of the original 1997 Japanese edition -- captures the engineering genius behind the Three-Pointed Star.
