To Venture Further Tristan Jones

In *To Venture Further*, Tristan Jones tackles the infamous Kra Peninsula which divides the Andaman Sea from the Gulf of Thailand. Accompanied by his German mate, Thomas, and three disabled Thai youths, he makes his way through this short but exceedingly difficult passage in a small seagoing fishing boat.

Tristan and his crew take on floating debris and homemade dams that block their passage. They encounter colorful locals, including a raucous band of teenage monks. Because of a late monsoon season, Tristan is forced to navigate a dry riverbed, where he is towed by southern Thailand's only working elephant. They face mechanical failure and Tristan's funds run precariously low, yet somehow they survive all the incredible obstacles.

A memorable exploit of a master storyteller, *To Venture Further* is an inspiring story that reveals the awesome courage of a man willing to sacrifice all comforts for the unknown and the seemingly impossible.
