Love is the realm where doves and dragons surrender. In a world that too often vibrates on the lower frequencies of fear, grief and confusion, love guides mankind to enlightenment. And in awakening, one searches for a more solid place in the human game. Pain and suffering; the cycle of life and death - they appear to be necessary struggles in the quest for self-realization, though perhaps they are not. Who knows? Awake in the Game of Pretending continues the spiritual exploration begun in This is an imprint, connecting readers on a collective scale.
