Inhaling and then exhaling I place both of my hands on the hanger as Suki removes hers. I can't believe how far it's pushed into Suki as I stare down at the blood pooling below her ass. The end of the hanger hangs out of her with only enough room left for both my hands. Suki has her shirt stuffed into her mouth as she looks down into my sad eyes. She nods her head giving me permission to pull it out. With my hands soaked in my sister's blood from the hanger, I pull the hanger out. Suki screams louder causing me to let go of the hanger and jump back, scared shitless. Suki mumbles through her shirt and I place my hands back onto the hanger. Breathing deeply I push the hanger into my sister's vagina slowly. Suki yells are muffled through the shirt, then her screams stop and she closes her eyes.
