## **Contemporary African American Preaching: Diversity in Theory and Style** Dr. L. Susan Bond

L. Susan Bond reveals the full range and diversity of African American preaching in this exploration of African American homiletical theories. Portraying the many approaches that are empowering preaching in African American churches today, Bond shows how different theological perspectives produce different methods of sermon preparation and delivery, different strategies for selecting illustrative material, and even different ways of beginning and ending sermons. Her goal is not to lift up the "right way" to preach in the African American tradition, but to show the richness and nuance contained within this powerful cultural expression.
