## Part of the Jewish Encounter series

Moses Maimonides was a Renaissance man before there was a Renaissance: a great physician who served a sultan, a dazzling Torah scholar, a community leader, a daring philosopher whose greatest work—*The Guide for the Perplexed*—attempted to reconcile scientific knowledge with faith in God. He was a Jew living in a Muslim world, a rationalist living in a time of superstition. Eight hundred years after his death, his notions about God, faith, the afterlife, and the Messiah still stir debate; his life as a physician still inspires; and the enigmas of his character still fascinate.

Sherwin B. Nuland—best-selling author of *How We Die*—focuses his surgeon's eye and writer's pen on this greatest of rabbis, most intriguing of Jewish philosophers, and most honored of Jewish doctors. He gives us a portrait of Maimonides that makes his life, his times, and his thought accessible to the general reader as they have never been before.
