Some Branch Against the Sky: The Practice and Principles of Marginal Gardening

G. F. Dutton

Some Branch Against the Sky: The Practice and Principles of Marginal Gardening G. F. Dutton

A truly intriguing, poetic, and thought-provoking book. The author lives in the Scottish highlands, with poor soil and a harsh climate. His "marginal" garden by design differs as little as possible from the surrounding wildness and requires little maintenance, yet satisfies the essential requirement of any garden by giving its owner pleasure.
