The Poetry of Sara Pujol Russell Sara Pujol Russell

Sara Pujol Russell's poetry is extraordinary for the density of presence and for its lyrical complexity. This is highly conceptualized, metaphysical poetry that challenges us to unwrap her imagery word for word and thus to enter intimately into her special universe. Such poetry relies less on narrative and more on the compulsion of words themselves. As Pujol herself remarks, the anecdote is not important - it only interests me insofar as it is the celebration of the heart of flames, as a festival of reason leaning into its own ardor - if it is a vital experience surpassing its own circumstance, if it is spiritual life transcending its own limitations, if it is an interpretation of being and existing in the world.
