To India With Love (Icons) Waris Ahluwalia

Ask people who have been there, and they will all tell you India is like no other place in the world, a land that stirs every one of the five senses and stays in your heart forever. It is this India that brought together three friends, Waris Ahluwalia, Mortimer Singer and Tina Bhojwani to raise funds, spirits, and awareness for the victims of the attacks in Mumbai in November, 2008.

The editors set out to create a scrapbook collecting personal photos, stories, and memories from people who, like themselves, love India. The contributors include Wes Anderson, Adrien Brody, Francesco Clemente, Anthony Edwards, Jeanine Lobell, Natalie Portman, Yves Carcelle, Jean Touitou, Owen Wilson, Laura Wilson, Cynthia Rowley, James Ivory, Matthew Williamson, Rachel Roy, Tory Burch, Padma Lakshmi and Shobhaa De. This book declares to Mumbai and the whole country that we are all thinking of them and support them: hence To India, with Love: New York to Mumbai. Profits from the sales of the book will go to support families

affected by the attacks. This book can truly make a difference, by opening eyes to the wonders of India and by once again letting the pen or a camera dominate the sword.

From reader reviews:

Winston Nakashima:

Now a day folks who Living in the era just where everything reachable by connect with the internet and the resources inside it can be true or not call for people to be aware of each details they get. How people have to be smart in acquiring any information nowadays? Of course the correct answer is reading a book. Reading through a book can help individuals out of this uncertainty Information particularly this To India With Love (Icons) book since this book offers you rich data and knowledge. Of course the details in this book hundred per cent guarantees there is no doubt in it everbody knows.

Myra Flory:

In this age globalization it is important to someone to get information. The information will make someone to understand the condition of the world. The health of the world makes the information simpler to share. You can find a lot of referrals to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher this print many kinds of book. The particular book that recommended to you personally is To India With Love (Icons) this publication consist a lot of the information in the condition of this world now. This kind of book was represented how does the world has grown up. The words styles that writer value to explain it is easy to understand. The particular writer made some research when he makes this book. Honestly, that is why this book ideal all of you.

Paul Birch:

That e-book can make you to feel relax. This book To India With Love (Icons) was bright colored and of course has pictures on there. As we know that book To India With Love (Icons) has many kinds or category. Start from kids until young adults. For example Naruto or Detective Conan you can read and think you are the character on there. Therefore , not at all of book are usually make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book for you and try to like reading that.

Jane Turcotte:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this To India With Love (Icons) can make you experience more interested to read.
