Acadia: The Soul of a National Park Steve Perrin

Writer-photographer Steve Perrin believes there is no more intimate connection than the one between a natural setting and its inhabitants. This sumptuously illustrated book, containing over 250 photos, clearly demonstrates his conviction. *Acadia* features 60 different hikes throughout the year in Acadia National Park, each one containing a description of a particular trail loop and its major features, interwoven with the author's musings as he interacts with this richly diverse area.
