10 years of thrilling bondage photography! The jubilee celebrations start with a new series of books from the publishing house, Goliath Digest. Since its foundation, the publishing house is setting new standards of erotic photography. Far from the ordinary, trend setting, provoking, sub-cultural, sexy, cool and innovative: Goliath photographers are considered creators of new styles and a large international audience knows them. The photo volumes are coveted collectors objects. After a decade of powerful photographic art, the greatest highlights of bondage photography have now been compiled to a real Best-of-Best. Out came a short history of the genre and a portfolio collection of the best artists, who playfully combine very different aesthetic principles. Vintage, amateur, studio shooting, outdoor, modern pin-up, fine art, trash and very different bondage techniques between Shibari, American Bondage and Freestyle all is tied in to make this anthology a complete, comprehensive and sequential volume that is simply, beautifully designed. Best of Bondage celebrates the premiere of three new photo artists from the international Goliath community. The Bondage artist and photographer Midori publishes her intense as well as disturbing settings in a book for the first time. Her photos, Craig Morey s classical-theatrical studio shooting and the cool settings of the German photographer Roman Kasperski successfully link the history of the publisher house to the present. You will be thrilled and bound! We promise. Photographer: Steven Speliotis, Laura M. Stansfield, Lee Higgs, Josef Botello. Dave Naz, Martin Class, Craig Morey, Roman Kasperski, Midori & Laura Manson Stansfield Collection
