Bigfoot Primer is not for the Bigfoot expert and is intended to be an introduction for the beginner. It is written in novelette form about a fictitious character, Benson Lambert, who retires from the government bureaucracy of Washington D. C. and moves back to his Michigan hometown to take up residence on the family farm. After surviving a “hairy” encounter in the isolated backwoods, he learns of a secret that his father has kept from him and the local townspeople for many years. It is then that he decides to learn all he can about the legendary Bigfoot and to go all out to prove its existence.
