Clinical Skills Explained Nazmul Akunjee, Zeshaan Maan, Mina Ally

Clinical Skills Explained provides medical students with the core information they require to undertake the clinical skills they need to understand during their medical careers.

Written in a clear and logical style, the book guides the reader through all aspects of clinical skills, from history taking, through key clinical examinations, to essential clinical procedures. Numerous full-colour illustrations help aid student understanding.

Clinical Skills Explained provides comprehensive, clear and easy-to follow coverage of this difficult subject area, not only detailing the core clinical skills techniques, but also explaining why the techniques have to be performed in the particular way described. The book further aids student understanding by integrating clinical skills information with the basic pathology, anatomy and basic sciences that the students will be learning concurrently.
