Cops, Crooks and other Crazyies is the inside story of policing California streets and highways. It is all here: the humorous, sad, tragic, violent and incredible, straight from the streets and highways of California from Yreka to the Mexican border. From walking foot beats as a rookie cop in San Diego's Skid Row to protecting President Ronald Reagan and the Queen of England during their historic meeting in Santa Barbara, Captain Nuttall tells what police work is really like as he observed and experienced it for 31 years during the greatest evolution of law enforcement in American History - on the San Diego Police Department and the California Highway Patrol.
