Excerpt from Delaware Archives, Vol. 3 of 3: Revolutionary War

Sir,

Finding that great impositions are likely to be practised upon the Government (without the possibility of detection, - the original records having been destroyed some years ago) in relation to revolutionary claims to pension under the law of Congress of the 18th of March ultimo; I have the honor to apprise your Excellency that it would be highly desirable for this Department to possess the original, or transcript-pay rolls of the Continental Army belonging to the line of Delaware; together with such other information touching the services of these revolutionary claimants, as your Excellency may suggest, and which perhaps can only be derived from the records of the several Executive officers of the state of Delaware within your control.
