Cardiothoracic anesthesiologist and recent med school grad Dr. Richard Beddingfield serves as an unofficial older brother for pre-med and incoming med students--dishing on all the stuff he would've wanted to know from the beginning in order to make the most of med school's opportunities, while staying sane through the gauntlets of applying to and succeeding at med school, residency, fellowship, and starting work as a new physician. With advice from additional recent Ivy League med school grads and top-tier hospital residents, this all-in-one guide is a must-have for everyone who dreams of becoming a doctor.
