Does your leadership style fit new ways of doing church--leadership that is organic and elastic and that finds ways to seize God-given opportunities? Looking back and drawing on the ancient Christian tradition, Bob Whitesel describes seven traits for successful leadership, which he characterizes by seven symbols:

- O (the Greek symbol theta) – the first letter of the Greek word theos stresses that God is the source of the burden for others and provides the power to help them.
- Rx (the medical prescription symbol) – an emphasis on addressing the spiritual and physical health of leaders.
- G (a stylized “G” for “graffiti”)– the edgy, colorful, and artful collages that help define contemporary organizations.
- A (inspired by the recycle symbol) – the idea of recycling places, experiences and people rather than discarding them.
- N - emerging networks that connect people more quickly, efficiently, precisely and continuously.
- I - an emphasis on “incarnation”, a going “in the flesh” to serve others rather than sending surrogates.
- X (the Jerusalem cross with a number in each quadrant) – four types of measurement observed in Jerusalem (Acts 2:42-47), which at their core point to Christ’s work on the cross.

Taken together, these symbols spell out the word “organix” and represent a fundamentally new way to think about your church and how you can best lead.
