Peter Alliss' Golf Heroes Peter Alliss

Peter Alliss has been the "voice of golf" for much of the English-speaking world since his broadcasting debut with the BBC covering the 1961 Open Championship at Royal Birkdale. Respected by professional and amateur players alike, his sympathetic and idiosyncratic commentary style has helped broaden the sport's appeal to an ever-wider audience. Embellished with insights and personal reminiscences, all the big names feature in this book, plus a few names with which you'll be less familiar. Stars of yesteryear such as Bobby Jones, Arnold Palmer, Jack Nicklaus, Gary Player and Tony Jacklin. Charismatic crowd-pleasers of the Lee Trevino, Seve Ballesteros variety. Modern legends like Nick Faldo, Colin Montgomerie and Tiger Woods. The pioneering women who have moved the ladies' game to new heights. This book is Peter Alliss' illustrated personal testimony to the fine players and characters who have stimulated his love-affair with the game for more than half a century.

Charles Steen:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Peter Alliss' Golf Heroes can make you truly feel more interested to read.
