**Adult Onset** Ann-Marie MacDonald

**From the internationally best-selling author of *Fall on Your Knees* comes a story about the joy and agony of motherhood, the dark undercurrents that break and hold families together, and the transformative power of forgiveness.**

Mary Rose MacKinnon is a successful author of YA fiction doing a tour of duty as stay-at-home mom while her partner, Hilary, takes a turn focusing on her career. She tries valiantly to balance the (mostly) solo parenting of two young children with the relentless needs of her aging parents. But amid the hilarities of full-on domesticity arises a sense of dread. Do other people notice the dents in the expensive refrigerator? How long will it take Mary Rose to realize that the car alarm that has been going off all morning is hers, and how on earth did the sharpest pair of scissors in the house wind up in her toddler's hands? As frustrations mount, she experiences a flare-up of forgotten symptoms of a childhood illness that compel her to rethink her own upbringing, her own family history. Over the course of one outwardly ordinary week, Mary Rose's world threatens to unravel, and the specter of violence raises its head with dangerous implications for her and her children. *Adult Onset* explores the pleasures and pressures of family bonds, powerful and yet so easily twisted and broken. Ann-Marie MacDonald has crafted a searing, terrifying, yet ultimately uplifting story.

#### **Patricia Morales:**

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Adult Onset can make you truly feel more interested to read.
