Fishing the River of Time Tony Taylor

At age eighty, **Tony Taylor** journeys from Sydney, Australia, to British Columbia to fish the Cowichan River with his eight-year-old grandson, Ned. The trip is an opportunity for Tony to return to a landscape that has had a profound effect on his life and his way of thinking, and to share this place with his grandson. As Tony teaches Ned the patient art of fly-fishing, a lifetime of memories, thoughts, and stories unspool in peaceful reflections by the water's edge. ***Fishing the River of Time*** is an elegant meditation on nature, life, and family, written with warmth and wisdom. It inspires self-reflection and an appreciation of the natural world and the fundamentals of our human experience. It is destined to become a classic work of simple living in the mold of Henry David Thoreau's *Walden*.
