Getting a PhD: An Action Plan to Help Manage Your Research, Your Supervisor and Your Project (Routledge Study Guides) John Finn

This highly practical guide provides information that will help research students avoid needless mistakes. It informs and advises you about many of the important facets of postgraduate research, including:

- what it means to conduct research at doctoral level
- the requirements for independence, contribution to knowledge, originality and suitability for publication
- planning a research project over a period of time
- responsible research practice
- criteria used in the examination of a PhD.

Getting a PhD is an essential handbook for PhD students and provides plenty of useful advice for Masters students or undergraduates conducting a research project.
