Hughes After Howard: The Story of Hughes Aircraft Company D.Kenneth Richardson

People everywhere have heard of the eccentric Howard Hughes, but few know that in 1953 he virtually disappeared from the company he had begun in 1932. Under new, creative, and inspired management, Hughes Aircraft Company became the leading military electronics organization in the world and rose to 85,000 employees. Some called it a national treasure. In this new 496-page book, Hughes Aircraft Company's past president Ken Richardson shows how this was done. Collaborating with over 60 past employees, Ken has compiled this remarkable piece of American aviation history. Learn about many complex products in all fields of electronics crafted by this highly motivated, inventive team.
