Youth who want straight answers about faith. Seventy percent of church youth left home after high school and then left the Church according to a 2002 Barna poll. When asked for the reason for leaving the church, 32 percent (in an open ended question) listed intellectual skepticism--religion made no sense, there was no proof, or there were no answers to legitimate questions (2005 National Study of Youth and Religion). Youth have questions--God's Word has the answers.
