Textbook Amy Krouse Rosenthal Amy Krouse Rosenthal

The bestselling author of *Encyclopedia an Ordinary Life* returns with a literary experience that is unprecedented, unforgettable, and explosively human.

In the ten years since the publication of her beloved, groundbreaking *Encyclopedia of an Ordinary Life*, #1 *New York Times* bestselling author Amy Krouse Rosenthal has been quietly tinkering away. Using her distinct blend of nonlinear narrative, wistful reflections, and insightful wit, she has created a modest but mighty new work.

Why the title *Textbook Amy Krouse Rosenthal*??

- Because the book is organized into chapters with classic subject headings such as Social Studies, Music, Language Arts, Math, etc.

- Because *textbook* is an expression meaning “quintessential,” as in, *Oh, that wordplay and unconventional format is so typical of her, so textbook Amy.*

- Because for the first time ever, readers can further engage with a book via text messaging.

- Because if an author’s previous book has *Encyclopedia* in the title, following it up with a *Textbook* would be rather nice.

Not exactly a memoir, not just a collection of observations, *Textbook Amy Krouse Rosenthal* is an exploration into the many ways we are connected on this planet and speaks to the awe, bewilderment, and poignancy of being alive.
