The Body Moveable: (Single-Volume, Colour Interior) David A Gorman

Blueprints of the Human Musculoskeletal System (Its Structure, Mechanics, Locomotor and Postural Functions). Single-volume hardcover with color interior pages. A marvelous illustrated study of the structure, function, and dynamics of the human musculoskeletal system. This is a book to admire as well as to study. Over 650 pages with thousands of beautiful illustrations, as well as detailed and comprehensive explanatory text. First published in 1981, now into its 6th edition as an 8.5 in. x 11 in. hardcover. Each page is dominated by the gorgeous illustrations covering every aspect and view of the structure, the ranges, movements and the dynamics of the human musculo-skeletal system. Its charming hand-printed text flows in a seamless and integrated way around these illustrations, explaining them, expanding on them and providing all the detail you will probably ever need. This is a book to come back to as a reference time and again.
