The Vulgate Bible, Volume V: The Minor Prophetical Books and Maccabees: Douay-Rheims Translation (Dumbarton Oaks Medieval Library)

The Vulgate Bible, Volume V: The Minor Prophetical Books and Maccabees: Douay-Rheims Translation (Dumbarton Oaks Medieval Library)

This is the fifth volume of a projected six-volume *Vulgate Bible*. Compiled and translated in large part by Saint Jerome at the turn of the fifth century ce, the *Vulgate Bible* permeated the Western Christian tradition through the twentieth century. It influenced literature, art, music, and education, and its contents lay at the heart of Western theological, intellectual, artistic, and political history through the Renaissance. At the end of the sixteenth century, professors at a Catholic college first at Douay, then at Rheims, translated the *Vulgate Bible* into English to combat the influence of Protestant vernacular Bibles.

Volume V presents the twelve minor prophetical books of the Old Testament, as well as two deuterocanonical books, 1 and 2 Maccabees. While Jewish communities regarded the works of the twelve minor prophets as a single unit (the *Dodecapropheton*), the *Vulgate Bible* treats them individually in accordance with Christian tradition. The themes of judgment and redemption featured prominently in the major prophets (Volume IV) are further developed by the minor prophets. The books of 1 and 2 Maccabees conclude the volume. Their doctrinal controversies and highly influential martyrdom narratives anticipate the development of Christian hagiography both as a genre and as a theological vehicle.
