Any Similarity to Persons Living or Dead is Purely Coincidental

Drew Friedman, Josh Friedman

Any Similarity to Persons Living or Dead is Purely Coincidental Drew Friedman, Josh Friedman
Any Similarity... is a collection of Drew Friedman's earliest comic strips and illustrations, featuring his most obsessively stippled black-and-white panels and his most hilarious wise-guy takes on the stars and demi-stars and never-quite-stars of that swamp we like to call showbiz. In these strips, many of them written by his brother Josh Alan Friedman (both are sons of the legendary Bruce Jay Friedman: humor genes will tell!), the artist works out his obsession with such celebrities as Jim Nabors, Frank Sinatra Jr., Joe Franklin, Bob Hope, Andy Griffith... and Ed Wood, Jr. film star Tor Johnson, whom Friedman actually catapulted back into some sort of semi-fame when these strips were first published in the 1980s.
