No one's afterlife is as dispiriting as Audrey's—at least that's what she believes after waking up dead without her memories and being promptly assigned to hunt demons for the rest of eternity. She's convinced God's made a cosmic mistake; after all, she'd rather discuss the color of her nails than break them on angelic weapons. It doesn't help that her trainer, Logan, is as infuriating as he is attractive. And just when Audrey and Logan appear close to developing an amicable relationship, a decision made under duress will push their hearts in a direction neither of them saw coming. Despite her sub-par fighting abilities, an ancient weapon of unparalleled power chooses Audrey as its wielder, attracting the cautious gazes of her fellow hunters and the attention of Satan himself. With Satan's eyes now fixed on Audrey, a battle for the safety of the living looms in the shadows.
