Learn How to Make Natural Body Lotions that Hydrate, Nourish, and Beautify Your Skin Have you ever considered creating your very own skin and body lotions for personal or business use? Over the course of our lives, the integumentary system is exposed to UV rays, dirt particles, microbes, as well as internal issues that induce visible changes in the epidermal skin layer. Throughout the globe, many people have endured the plight of cellulite, dry and ashy skin, sagging skin, wrinkles, as well as myriad other skin conditions. For example, rashes, dry and itchy skin, and keratosis are common ailments that happen to afflict people. **By reading this book, you will learn a few essential elements of skin care.** 1. First, you will learn about the makeup of the integumentary system, how it works, and why skin care is so fundamentally important. Furthermore, you will learn about a variety of skin care tips that you can use to beautify your skin. 2. You will have the opportunity to learn about skin conditions that commonly afflict people, as well as their causes. 3. In the next section of the book, you will be given numerous skin lotion recipes designed to treat a host of skin ailments and cosmetic issues, including stretch marks, untamed hair, dry skin, cellulite, dull skin, elbow and knee dryness and much more. 4. You will also be given various skin recipes designed to treat basic and treatable conditions, such as keratosis. 5. And finally, you will be able to harness everything that you learned, and start your very own skin care business.
