Building Small Cabinets Doug Stowe

A thoughtfully designed cabinet, built of carefully selected materials, transcends its utilitarian storage role into functional art. The eight wonderful small cabinets in this book will inspire novice and intermediate woodworkers to create a project that showcases not only their treasures, but also their talent. Detailed instructions along with 300 color photos and 30 drawings will help readers hone their cabinetmaking abilities, while design suggestions encourage them to use their own creativity and craftsmanship to customize the projects and make them their own.
