Christian Mythology for Kids Chrystine Trooien

"Myths fired my imagination powerfully as a kid. Greek, Norse, Hopi, West African animist tales, I devoured them all. But the stories of the Judeo-Christian canon were an exception. The retellings were always so mired in kid-glove sacredness that all the rich drama was drained out of them. *Christian Mythology for Kids* finally restores these fantastic tales to their rightful place among the great, compelling stories of humanity. I want to be a kid again so I can discover Christian myth afresh." - Dale McGowan
Author, *Parenting Beyond Belief* and *Raising Freethinkers*

Increasing numbers of parents are raising their children free from religion. *Christian Mythology for Kids* is for secular families, to hear the stories of Christian myths without fear or empty promises. These stories are just as exciting, improbable, and fantastic as the myths of the Norse gods or the fables of Aesop.
