Fitzpatrick's War

Theodore Judson

Fitzpatrick's War Theodore Judson

In the twenty-sixth century the world is a very different place. The United States and Canada are gone, replaced by the socially rigid, authoritarian Confederacy of the Yukon. Also gone is the electronic age—destroyed in the apocalyptic Storm Times that devastated the globe and decimated the world's population in the late twenty-first century. It is now, once again, an age of steam, an age of lighter-than-air craft, an age of feudalism and knighthood, and for some, an age of conquest.

Fitzpatrick's War is the intimate memoir of Sir Robert Bruce, a close companion of Fitzpatrick the Younger, the greatest hero of the Yukons. Yukon History paints Fitzpatrick as a latter-day Alexander the Great, and calls Bruce a lying traitor. Was Robert Bruce a degenerate scoundrel...or the only man to tell his world the truth?
