GOH Storage & Pick Operation Ideas David E. Mulcahy

The book ideas provide catalog, E-mail, TV marketing & retail distribution operation directors, managers or supervisors with the ability to make their new or remodeled GOH operation to be more cost effective and efficient. For a reader's easy, quick review and reference, the book ideas review customer order release, pick position types, GOH pick concepts, picker routing patterns, pick-aisle profile options, pick area layout, GOH transport devices, check & pack activities and other ideas. While working as a project manager, the author has applied these ideas to many GOH operations with excellent picker productivity, high completed order number and few pick errors that all contributed to the desired CPU and UPH.
