**"This gorgeous book—great to read with kids of any age—allows for open-ended conversation and questions." (Brightly.com)**

In this acclaimed book, the author of the Newbery Honor Book *To Be a Slave* shares his own story as he explores what makes each of us special. Karen Barbour's dramatic, vibrant paintings speak to the heart of Lester's unique vision, truly a celebration of all of us. "This stunning picture book introduces race as just one of many chapters in a person's story" (*School Library Journal*). "Lester's poignant picture book helps children learn, grow, discuss, and begin to create a future that resolves differences" (*Children's Literature*).

Julius Lester says, "I write because our lives are stories. If enough of these stories are told, then perhaps we will begin to see that our lives are the same story. The differences are merely in the details."

*I am a story. So are you. So is everyone.*
