As a university student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's internal or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself.
