**Marvel 1602** Andy Kubert Neil Gaiman

The story takes place in the year 1602 in the Marvel Universe, where, for an unknown reason, superheroes have appeared about 400 years early,[4] though they were born and bred in this era and some hold important positions in high places. When the characters come to realize that something is wrong with the universe, the heroes must solve the mystery behind their own existence, while dealing with intrigue at the courts of Elizabeth and James.
