## **Pleasuring the Queen: Maraloo Warriors (Volume 1)** Yvette Hines

Her Protection Xandier-Fiy is the strongest and fiercest warrior on the planet of Maraloo. As such, he has been given the honor of being appointed prince by the current ruler. A faithful friend and confidant to the existing queen, he will do whatever she requests; follow her directives to the letter. However, Xandier does not realize all that will be required of him. The queen has secrets, secrets that would shake the very foundation of the planet and he must protect them from those eager to gain power. In order to guard the throne and all that he has been trained to honor, he must yield to a royal request, one that may test the core of his strength and desire... Her Pleasure One encounter, filled with controlled ecstasy was all Xandier was supposed to have with Malkia, a lower class female from the water markets. The queen needed to discover if Malkia was who they believed her to be. The only problem was that one moment...one occasion to touch her body was not enough. Akin to the lunduos pair colliding over the solram in the sky above his planet, Xandier's very being becomes consumed by the Seipia female. Every breath, touch, taste and feeling is combined with hers and he begins to challenge everything he has believed. Now, time is running out and he must discover the truth and secure the throne for the rightful heir before treachery steals everything from him... How far will he go to protect and pleasure his queen? Caution: This novel is a sci-fi, erotic romance... come inside, the world of Maraloo awaits.
