Shadows from the Past Ashley Dawn

“...It is the price you pay for choosing to be a cop. Your brother’s life...” Those words haunt her dreams, and her waking moments. LAPD officer, Aurora Kavvan cannot rest until she finds her brother’s killer. Digging into the past always brings back unpleasant things: memories, guilt...the hit man. Now she is in a race against time to find the murderer before he finds her. “Kill her. I don’t care how, and I don’t care where, but I want her dead now!” Someone was trying to kill his dead partner’s sister. FBI agent, Jordan Reiley will stop at nothing to protect the woman he loves. Even if it means going against her wishes; putting himself between her and the man who murdered her brother. Will God keep them alive long enough for them to find the truth?
