**The Damned: The Darkest Hand Trilogy** Tarn Richardson

**A gripping work of dark fiction set in an alternative World War I where unspeakable creatures roam and a ruthless Inquisition still holds sway**

In this "sublime work of dark fiction" (Intravenous Magazine), set in an alternative World War I, unspeakable creatures roam the grisly trenches, and a ruthless Catholic Inquisition holds sway ? still powerful, but working in the shadows.

When a Father is brutally murdered in the French city of Arras, Poldeck Tacit? a determined and unhinged Inquisitor? arrives on the scene to investigate the crime. His mission: to protect the Church from those who would seek to destroy it, no matter what the cost.

As the Inquisitor strives in vain to establish the truth behind the murder and to uncover the motives of other Vatican servants seeking to undermine him, a beautiful and spirited woman, Sandrine, warns British soldier Henry Frost of a mutual foe even more terrible lurking beneath the killing fields? an enemy that answers to no human force and wreaks its havoc by the light of the moon.

Faced with impossible odds and struggling with his own demons, Tacit must battle the forces of evil? and a church determined at all costs to achieve its aims? to reach the heart of dark conspiracy that seeks to engulf the world, plunging it even deeper into conflict.
