Three C's: Colour, clarity, and carats (Treasure Hunters) CC Kirk

Jordan Hawke is tracking a fabulous treasure, one that has been missing for more than a hundred years. Following the trail of two men who left South Africa with a fortune in diamonds but who never reached their destination she travels halfway across the world. Cecil Bailey controls a huge fortune his family amassed and he does not want anyone to investigate where his family obtained their money. Rival treasure hunters are converging in Sydney. The prize – a fortune in diamonds. A prize men will kill for. Rivals follow Jordan's group from the moment they arrive in Sydney and their one solid lead is stolen during a murderous break-in at a museum. Suspected by the police of being involved in the murder, the group races to where they believe the diamonds are, hoping to be first to seize the treasure. But murder did not stop their enemies and they are not about to give up now.
