To collectors of modern military uniforms, Vietnam era tigerstripe combat fatigues have always been a much sought after commodity. The pattern itself, in all of its classic forms, is both exotic and unique and carries with it an immediate, esthetic sense of the full drama of that not to distant Southeast Asian conflict. There exists however, surrounding this one camouflage pattern numerous misconceptions. Tiger Patterns analyzes to the most minute degree, the finite variances which defined the many original, Vietnam era tigerstripe patterns and uniform cuts and establishes dependable identification techniques and practices, whether your particular interests area as a historian, veteran, modeler, or collector and enthusiast.
