Manliness

Harvey C. Mansfield

Manliness Harvey C. Mansfield

This book invites—no, demands—a response from its readers. It is impossible not to be drawn in to the provocative (often contentious) discussion that Harvey Mansfield sets before us. This is the first comprehensive study of manliness, a quality both bad and good, mostly male, often intolerant, irrational, and ambitious. Our “gender-neutral society” does not like it but cannot get rid of it.

Drawing from science, literature, and philosophy, Mansfield examines the layers of manliness, from vulgar aggression, to assertive manliness, to manliness as virtue, and to philosophical manliness. He shows that manliness seeks and welcomes drama, prefers times of war, conflict, and risk, and brings change or restores order at crucial moments. Manly men in their assertiveness raise issues, bring them to the fore, and make them public and political—as for example, the manliness of the women’s movement.

After a wide-ranging tour from stereotypes to Hemingway and Achilles, to Nietzsche, to feminism, and to Plato, the author returns to today’s problem of “unemployed manliness.” Formulating a reasoned defense of a quality hardly obedient to reason, he urges men, and especially women, to understand and accept manliness, and to give it honest and honorable employment.

From reader reviews:

Florence Lentz:

Precisely why? Because this Manliness is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will zap you with the secret this inside. Reading this book beside it was fantastic author who all write the book in such incredible way makes the content interior easier to understand, entertaining means but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of advantages than the other book get such as help improving your talent and your critical thinking approach. So , still want to hold off having that book? If I ended up you I will go to the publication store hurriedly.

Jerry Orosco:

Reading can called thoughts hangout, why? Because if you find yourself reading a book mainly book entitled Manliness your brain will drift away trough every dimension, wandering in each and every aspect that maybe unidentified for but surely will end up your mind friends. Imaging each and every word written in a guide then become one form conclusion and explanation that will maybe you never get before. The Manliness giving you a different experience more than blown away your head but also giving you useful details for your better life on this era. So now let us present to you the relaxing pattern this is your body and mind will likely be pleased when you are finished examining it, like winning a. Do you want to try this extraordinary paying spare time activity?

Maria Gray:

Do you have something that you enjoy such as book? The guide lovers usually prefer to select book like comic, brief story and the biggest an example may be novel. Now, why not hoping Manliness that give your enjoyment preference will be satisfied by simply reading this book. Reading addiction all over the world can be said as the means for people to know world a great deal better then how they react towards the world. It can't be explained constantly that reading routine only for the geeky individual but for all of you who wants to possibly be success person. So , for every you who want to start studying as your good habit, you may pick Manliness become your current starter.

Jeff Jones:

That reserve can make you to feel relax. That book Manliness was multi-colored and of course has pictures around. As we know that book Manliness has many kinds or type. Start from kids until young adults. For example Naruto or Private investigator Conan you can read and believe you are the character on there. So , not at all of book usually are make you bored, any it can make you feel happy, fun and rest. Try to choose the best book in your case and try to like reading in which.
