## **Midshipwizard Halcyon Blithe** James M. Ward

Halcyon Blithe, being a young man of good breeding and lineage as well as endowed with those qualities and abilities of a sorcerous nature and wishing to fulfill his full potential, is ready to assume his proper place in the world. He aims to seek his fortune among those who tend and sail the awesome nautical juggernauts-the dragonships. With this in mind, Blithe gladly accepts his rank as Midshipwizard and becomes a member of the crew who man the dragonships-vessels which harness the bodies and strength of living dragons with seafaring technology.

Combining elements of Hornblower with Harry Potter, and Robert Louis Stevenson with Robin Hobb, *Midshipwizard Halcyon Blithe* is a nautical tale rich in magic and intrigue. A tale set against a panorama of fantastic naval battle as we follow the career of a young midshipwizard as he moves up through the ranks of His Majesty's Navy.
