Miss Fortune (Frankly, Frannie) AJ Stern

Frannie's parents throw a party for Frannie with a fortune teller and Frannie finds her next new job: fortune teller, obviously! Frannie begins making up the fortunes of her friends at school and realizes that there is a difference between seeing the future and simply telling people what to do. After Frannie's customers start taking their fortunes too seriously by refusing to shower, do their chores, and even go to school, Frannie discovers that being psychic wasn't her hidden talent after all. And that is not an opinion!
