**A sensitive story about the fear of the new, perfect for the first day of school**

The big day has come—and that can be terrifying. Sometimes the only thing to do is hide behind a scary mask and hope it frightens the monsters away. But snapping and snarling isn't always the best way. Perhaps a friendly smiling mask might work better. This lovely story about learning to be brave teaches children to face their fears with a smile instead of a frown.
