THE AMERICAN CALIPHATE EIRÍKUR HANNSON

This book will address the attempts of various Muslim and non-Muslim organizations to transform the American society into an Islamic State, versus maintaining the system based on the Constitution of the United States. There are many issues involved in this complex battle, including morality, funding of political organizations and politicians in this country, the military wars in the Middle East and their impact on public opinion and voting preferences, immigration and population demographics, the significance of securing stable sources of oil and gas, how energy politics is used as a weapon of mass consumption, and the sanctity of human life in Christian versus Muslim cultures.
