The Whispering Gallery: Art into Poetry Peter Steele

This new book contains 55 poems, each prompted by a work of art drawn from the collection of the National Gallery of Victoria. The art works are reproduced alongside the poems for immediate reference and enjoyment. While *Plenty: Art into Poetry* is a work of beauty and distinction, critics already consider *The Whispering Gallery* to be an exciting successor in which the author expands and deepens his imaginative exploration of words and images.
