This work is based on the author's eleven-plus years of research into the lives of certain dedicated females were disciples of Jesus Christ. They traveled with many of women, Judas and certain other male disciples. This community of stalwart women not only supported Jesus' ministry morally & financially but, unlike certain of His other disciples, they stood with Him all throughout His final moments on earth, steadfastly witnessing His Murder, Resurrection and Glorious Ascension. It is now time that their brave story be made known and shared with the entire world.
