What do they look like? How do they protect us? What sort of "super-powers" do they possess? What happens when they fall? All About Angels offers a clear, informative look at the biblical teachings about these servants and messengers of God, with an emphasis on how His grace and providence are demonstrated through these beings. Well suited for youth, young adults and adult Bible study participants, this study helps shed a clear light on an important part of God's creation--which many are trying to remold in their own image. Reproducible student pages.
